1:30 P.M. Song service by the Mills Home Choir of Thomasville, North Carolina which did some good singing and was enjoyed by everyone very much. Children's Home Report called for.

CHILDREN'S HOME REPORT

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-one years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

As we continue to build upon foundations already laid, special attention is being given certain areas of child care. An already strong program of group care is being strengthened at Mills Home, Kennedy Home and Odum Home. A good degree of progress has been realized in working with emotionally disturbed children at Greer Home in Chapel Hill. The demonstration Child Development Program for preschool children, conducted on the Mills Home campus, has had an excellent first year of operation. Churches throughout the state are studying the program and facilities preparatory to providing similar services. Prospects are encouraging for a home for children in the western part of the state more adequately to serve the needs of our people who live west of the Blue Ridge Mountains. Constant attention is being given to more effective ways of meeting the highly specialized needs of children coming out of broken and inadequate home situations.

We have a large number of good Christian homes for the care of foster children. More are needed in all sections of the state. Foster homes serve children of all ages and are of particular advantage for some who have special needs. Foster home parents may be of varying ages and circumstances in life. Couples with or without children of their own who have an abundance of love find this to be a challenging and rewarding opportunity of Christian service.

Sincere appreciation is expressed to all who have, in any way, helped to support our child care ministry. We are indeed grateful for increasing income through the Cooperative Program. Last year's Thanksgiving Offering is approaching three hundred fifteen thousand dollars (\$ 315,000.00) and is the largest ever. Special gifts and designations such as the Once-a-month offering continue to provide a substantial part of our income. Through estate planning and the making of Christian wills an increasing number of individuals and families are investing in present and future generations of boys and girls who are in need of the services of the Baptist Children's Homes. Roger Williams, former pastor of the Mills Home Baptist Church, is devoting full time to working with our Baptist people in this area, and he or other members of our staff will count it a privilege to assist you in exploring this field of Christian stewardship.

We covenant with you to face the future as we have the past: to offer Christian nurture to distressed children in the Name of the Lord Jesus Christ.

Report read by Herbert Garrett. Was adopted. Thomasville Choir sang, and Kenneth Little the director gave a short talk. The hospital report was then called for.

HOSPITAL REPORT

Our Baptist Hospital and Medical School are a center of healing for body, mind and spirit, a center of training of medical personnel and Christian workers, and a center of scientific research for the advancement of medical care.

Without a vast amount of medical research, there would be no heart surgery today by which lives are saved in our Baptist Hospital almost every week; and the same would be true of almost every new method of treating us when we are sick. Without schools for the training of doctors, nurses, technicians and others, there soon would be no skilled persons in our hospitals or in our communities to care for us when illness comes. Without a staff of highly trained and experienced specialists and a vast amount of expensive specialized equipment, our Baptist Hospital could not offer the highly skilled medical care which is available to us when serious illness strikes and a fine medical center is needed. Another very important fact is that the skilled medical care of our Hospital is made available to people who need it and cannot pay for it. These important services are the work of our Medical Center in Winston-Salem.

The kind of medical care provided by our Hospital is very expensive, and the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people far more than it receives from our Mother's Day Offerings, the Cooperative Program, and all welfare agencies combined. This has caused the Hospital to run into debt the past two years and the same has been happening this year. Of course, the Hospital simply cannot continue to operate this way. Medicare is not going to change the situation greatly. Our people need to understand this and to recognize that we are going to have to provide much greater support if the Hospital is to continue to provide free service in the same measure for those who cannot pay for it.

While some of our churches support the Hospital well indeed, most of them could do far more than they have been doing. We want to bring this to your attention, asking you to go back to your church and give this information to your people and help to lead them to give serious consideration to the Hospital's vital ministry and its urgent need.

Respectfully submitted,
Lloyd Fish

Report was read by the clerk in the absence of the Representative, was adopted. Discussed by W. K. McGee, from the Baptist Hospital, Winston-Salem. Home for the Aged Report called for.

HOME FOR THE AGED REPORT

Reflection on the past year of life in our four Baptist Homes for the Aging is a reminder once again of the goodness of the Lord to us. We are constantly aware of the bountiful way in which He has blessed us, and this has been particularly true since our last report to the good people in our Baptist Associations.

During this time we have ministered to 172 deserving older men and women. All of these have been blessed by the love gifts of North Carolina Baptists, through the Special Day Offering, received on the third Sunday of February each year, and through our share in the Co-operative Program. The large majority, at least 85%, have benefitted directly from these gifts and have actually been sustained at the point of their financial need.

The Special Day Offering for 1966 is at an all time high and looks as if it might be \$100,000.00 for the first time. This is very good, and we are profoundly grateful. We must not forget, however, that, even though there has been a 5% increase in the offering from last year, costs have advanced by 7%.

We are in the midst of miracles, and the past year has been one in which we have witnessed unusual blessings from the Lord. There have been fewer deaths than previously, and the critically ill, in many instances, have been brought back to a measure of reasonably good health. Nursing care has been of the highest quality, and you would rejoice to know how far your concern and your gifts go in ministering to the needs of the residents, particularly at the point of tender loving care in illness.

Perhaps the outstanding paradox in all of our Homes is that the first resident to receive a Medicare card, during this first year of the operation of Medicare, is our oldest resident, who never takes any medication at all and who does not need to see a doctor, or go to the hospital. She is Aunt Fannie Drumwright, who celebrated her 105th birthday in July.

It is anticipated that construction will begin on our fifth Home at Yanceyville during the coming year, and when it is completed, we will be able to minister in all of our Homes to 200 older men and women and relieve, in measure, the terrific pressure of a long waiting list of 170 people.

This ministry of love, in Christ's name, is dependent upon the concern, the love, the prayers, and the increased financial support of

North Carolina Baptists. We are, therefore, going to count heavily on you and believe that you will not disappoint the aging people who are looking to you urgently for help.

Respectfully submitted,
Oscar Haney

Report read by the clerk in absence of the representative, was adopted. Discussed by William A. Poole, Superintendent of the Homes for the Aged, Winston Salem. The Training Union report was called for, there being no report, time was given to Sam O'Neal of Raleigh to talk on Training Union. C. Gordon Maddrey gave a talk on the North Carolina Baptist Foundation. Education Report called for.

CHRISTIAN EDUCATION REPORT

In the fall of 1965 approximately 11,414 young men and women were enrolled in our seven Baptist Colleges in North Carolina. Is it not a joy to know that our denomination can have the privilege of offering wonderful Christian training to this many young people who will go out tomorrow to be our leaders?

As of now, about 600 men and women who expect to give their lives to one of the Christian vocations are enrolled in one of these colleges. These include: pastors, chaplains, directors of church music, home and foreign missionaries, teachers, institutional workers, denominational workers, and many others.

The Cooperative Program, as we have said so many times before, is the lifeline for North Carolina Baptist Colleges. For 1966 the Cooperative Program income for our seven Baptist Colleges represents an endowment in excess of \$35,000,000. This guaranteed annual income is an important factor in maintaining accreditation. An advance for the Cooperative Program is always an advance for Christian higher education.

We are grateful that more churches each year are participating in the observance of Christian Education Day, which is always on Father's Day. In observing this special day our churches have an opportunity to become better acquainted with the contribution of our Baptist Colleges to the denomination, and to make an offering over and above the regular Cooperative Program offering. This offering now amounts to more than \$100,000.

At the close of the school year, 1966, two of our college presidents, Dr. Hoyt Blackwell of Mars Hill College and Dr. Carlyle Campbell, Meredith College, retired after many years of outstanding Christian leadership. Dr. Leslie Campbell, Campbell College, has announced his retirement as of June 1967. Mere words can never express the great contribution that these men have made to the cause of Christian higher

education, but for countless years to come we shall see their work through the many lives that have gone out from the colleges they have served. Yes, we can certainly say, "Theirs' has been a work well done."

As the fine Christian men who have been chosen, or will be chosen, to succeed these great leaders step forward and put their hands to the wheel to steer our colleges through many more years of Christian leadership and higher education, may we each remind ourselves of the task that is ours to undergird them with our prayers day by day, and our continued support of the Cooperative Program.

Your concern and my concern, and the concern of all Baptists everywhere will determine what our Baptist colleges will be. How great is our concern for our colleges and for Christian Education?

Committee,
Bain Scott
H. E. Plemmons
Mrs. Riley Corn

Report read by clerk, was adopted. Cooperative Report called for.

CO-OPERATIVE REPORT

We your committee, feel and believe that we should cooperate together as union of churches, and that we should stand on the Word of God, that the Word might be established in the hearts of men and women.

Committee,
Rev. Ray Woody
Mrs. Chester Freeman
Mrs. Hilda Scott

Report read by clerk, was adopted. Periodicals Report called for.

PERIODICALS REPORT

Today we have several magazines and papers available to us through the Baptist Board. The Biblical Recorder keeps us up to date on our Christian education, and has for around 135 years. Each year it grows in both strength and stature because it's course is fixed upon the purpose of service to the Baptist of North Carolina. The churches need all the information and insight they can get. The Recorder seeks to inform, interpret and influence.

Some of the other publications, published for us are, Charity and Children, Commission, Home Mission, and Home Life Builders. All of these are interesting and informative.

The American Bible Society is the principal agency of the United

States. It is one of the oldest Missionary Societies in America and provides scriptures of every language to both Foreign and Home Missionaries. The scriptures are available in large type for those with failing eyesight, and also in Braille and on records for the blind.

The Bible is the book for everyone and seeks to fulfill our Lord's command to take the gospel to every creature.

Respectfully submitted,
Mrs. Harold C. Cable

Report was read by clerk and adopted. Missions: State, Home and Foreign Report called for.

MISSIONS: STATE, HOME AND FOREIGN REPORT

Section 1. The confederation of churches shall be known and called by the name of New Found Baptist Association.

Section 2. The object of the Association shall be to promote the glory of God on Earth by preaching of His Son, Jesus Christ, our Saviour, the universal spread of the Holy Bible, the word of the true God, and by other appropriate means.

Section 3. This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4. Each church shall be entitled to as many as seven representatives as delegates to the Association.

Section 5. The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer and Assistant Clerk. These shall be ex-officio members to the Executive Committee.

Section 6. Baptist churches not before united in an Association or those dismissed from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union by a majority consent of the Messengers present: provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7. This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Section 8. As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9. That a church ignoring and not abiding by the Constitution and By-Laws of the New Found Baptist Association that a church walking off and joining another association without asking

Section 10. In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the messengers. If neither party obtains a majority vote, the church will be considered dropped. No charges shall be received against a church unless presented from two or more churches in the Union, through their Messengers.

Section 11. It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 12. The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have been regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 13. When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 14. The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by the body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's Kingdom on earth.

Section 15. The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years, or report sent in, shall be cause to withdraw from such church, at the discretion of the Association.

Section 16. Amendments may be made to the Constitution at any meetings of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the Minutes the preceeding year.

Section 17. The constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of the preceeding year.

Section 18. Any and all previous Constitution of this Association is hereby repealed.

PERIODICALS REPORT

Literature made available to us today should be of vital importance to each Baptist. I would like to name some of the papers made available to us through our Baptist Board. Charity and Children, Commission, Home Missions, Home Life Builders, The Biblical Recorder and The American Bible Society. All of these are interesting, solid, dependable and informative. Our Church Government is founded upon the belief that people will do the right thing when properly informed. The Biblical Recorder seeks to inform us of the

latest and important activities of the State Convention, and its agencies and institutions. The Recorder staff gathers and publishes news from as many sources as possible. They feel that the simplest and most economical way to get all this information into the homes of your members is through the Biblical Recorder.

The American Bible Society has as its single purpose the wider circulation of the Holy Scriptures to every man on earth in the language or form he can best read and understand.

Founded in 1816, it is one of the oldest missionary societies in America. People must have the Bible because it presents Jesus Christ, the one hope of men and nations. Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

Because the Bible Society serves mission work, and Southern Baptist missionaries depend on the Society for Scriptures they need for their people, Southern Baptists believe in the missionary importance of giving to the American Bible Society.

Respectfully submitted,
Rev. Charlie Freeman

Report read, and adopted. Talked on by J. Marse Grant of the Biblical Recorder, Raleigh, N. C.

N. C. BAPTIST FOUNDATION REPORT

During the past year much progress has been made by the Baptist Foundation. We really feel that our name is now recognized by many who just a year ago might not have known us. This is largely due to the gracious people in our state who have helped promote our work — pastors, associational missionaries, attorneys, our Foundation Representatives in the churches, and numerous Baptist agencies — to name a few. We are most grateful for every opportunity offered us.

Many new funds have been established with the net returns to go to the particular cause closest to the individual's heart. Whether large or small amounts — we are happy to accept any sum. Our assets are now over a million dollars.

We still encourage each individual to make his or her will and to consult with their lawyer in order that every detail is just as they want it. We also encourage each individual to remember some Baptist agency or cause in their will.

One of the highlights of 1967 has been the building of a new Home for the Aging in Yanceyville. Money and property were left to the Foundation several years ago through wills of a brother and sister for this purpose. More information will be given by the Homes for the Aging but we are most proud to have had a part in the building of this particular Home.

The Baptist Foundation has had a year of tragedy of leadership as well. For many months the Chairman of our Board of Directors, Dr. Ike Greer, has been critically ill at his home in Chapel Hill and July 5th our Executive Secretary, C. Gordon Maddrey, suffered

a coronary occlusion. Since that time he has had a series of attacks and is critically ill at this time.

Brochures are in the back for anyone desiring detailed information. The Foundation office is open to everyone and we invite you to come by or call if we can be of any help.

In the absence of Mr. Maddrey, Harold White of the Baptist State Convention gave a talk on the Foundation and the convention, too. Childrens Home Report called for.

CHILDRENS HOME REPORT

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. No task is more important than helping a child to grow into healthy, well-adjusted, responsible citizenship. At the Children's Homes we seek to provide the proper atmosphere, encouragement and supervision to assure the development of inborn, God given talents of our children.

This agency offers a variety of quality services to the children of families who have not been able to continue a satisfactory pattern of living together. A total of 33 cottages on five campuses provide group care of different kinds. There are two residences for emotionally disturbed children, convenient to a great medical center where psychiatric services are available. This fall, for the first time, a single cottage at Wallburg is being opened for the rehabilitation of boys.

In addition to group homes, the needs of many children are met through the use of Foster Homes. A growing interest in this phase of our work is encouraging. Many families are finding happiness and opportunity for service in caring for foster children. Thus, many boys and girls, who otherwise would not have this opportunity, are privileged to grow up in Christian homes. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

Regional case work centers, staffed by trained social workers, are located in six prominent areas of the State and add to the ability of the Homes to offer counseling services to distressed families and to those for whom family rehabilitation has been achieved.

In June of 1967 the first of the new family living cottages was completed and is being used by brothers and sisters who can profit by sharing the same home. This building was provided by Mr. and Mrs. William M. York of Greensboro, and is named the York Cottage. It is a model for the family living approach in group child care. A similar cottage is already under construction at Mills Home and two buildings of this type are now being built on the Kennedy Home campus.

The Child Development Center on the Mills Home Campus was established to serve the local community as a means of strengthening family life and to provide a demonstration and informational program which can offer assistance to churches in beginning any phase of weekday care and education for preschool children. During

the 1967-68 session the Center will serve 70 children and their families in two kindergarten groups and nursery school groups, with about 35 children in full day care. The staff is providing consultation services upon request to churches interested in the program.

Members of the Board of Trustees and the Staff of the Children's Homes are committed to the task of maintaining a Christian Program of Child Care — a program that will merit the undivided support and loyalty of our people and that will bring favor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

Respectfully Submitted,
Herbert Garrett,

Report read by Herbert Garrett, was adopted. Discussed by W. R. Wagnor of Childrens Home, Thomasville N. C. Home for the Aged Report called for.

HOSPITAL REPORT

In this day of rapid change in almost every area of our lives, there are few places in which change has been more rapid than in the field of medicine. In the last twenty-five years we have witnessed in medical care a transformation as dramatic as in almost any other area of life.

This period parallels the period of development of our Baptist Medical Center in Winston-Salem. This began in 1941, when our Baptist Hospital and our Baptist Medical School were joined to form the first and only such combination. Today it stands as one of the very fine medical centers of our country, reflecting the vast progress which has come in the field of medical care. All indications are that this progress will continue at an ever growing rate.

It is a day of increasing specialization, with men and women highly trained and dedicated in their special fields of medicine. It is a day of expanding research in medicine, as in industry, agriculture and business.

Many of the fruits of this work seem almost like modern miracles. These are new means of diagnosing our ills, such as the brain scan and the use of sound waves. New drugs are being developed almost daily for combatting disease, including antibiotics and new chemicals. There are new techniques in treating our ills, as in heart surgery, inhalation therapy, and replacing of organs of the body. There are new instruments to perform these miracles, as the cobalt machine, the heart-lung pump, the pacemaker for the heart, the laser beam in surgery. There are new facilities for better care of the patient, such as the intensive care unit and the progressive or minimal care unit.

There has developed a new concept in medicine in recognizing the patient as a person, and not just as a virus or a broken bone. He is now treated as a whole person, including his emotional and spiritual needs as well as his physical problems. Psychiatry has developed, spiritual therapy is an important factor, and pastoral care is a part of the total care of the sick.

Such important progress necessarily means greatly increased cost in medical care. But the high cost is more than offset by service which gives us better health, more relief from suffering and handicaps, and added years to life.

This is not the work of an institution alone — it is a cooperative enterprise. It is a ministry in which we as churches and individual Christians join hands with those who serve in our Medical Center. If this service is made available to all our people who need it, we of necessity have to provide much of the means, for there are many who cannot pay for it. This is a wonderful opportunity when we by simply giving our money can share in so important a service to our brother in need — and even hear a “Well done”, for “Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me.”

Respectfully submitted,
Rev. Oder Anders

REV. RILEY CORN

We the people of Ball City Baptist Church cannot in words express the loss we have suffered in the death of our dearly beloved pastor, the late Rev. Riley Corn. We realize our loss more as each Sunday goes by. His work with the young people was marvelous. He was a wonderful Christian example and a pattern for anyone to follow. His life proved the fruits of the Spirit as mentioned in Galatians 5-22-23. Our loss has been Heaven's gain for we know he has reached that heavenly city that he spoke of so much. Our prayers and deepest sympathy goes to his good wife who will always, as Rev. Corn share a place in our hearts.

Respectfully submitted,
Ball City Baptist Church

CONSTITUTION

Whereas, the following Missionary Baptist Churches: Antioch, Ball City, Bear Creek, Caney Fork, Chestnut Grove, Cross Rock, Ebenezer, Flats Spring Creek, French Broad, Hopewell, Jones Valley, Liberty, Long Branch, Lower Big Pine, Lusk Chapel, Meadow Fork, New Hope, Old Bull Creek, Paynes Chapel, Pinnacle View, Price Chapel, Redmon, Union, Zion Churches of the New Found Missionary Baptist Association of North Carolina and other bodies purpose uniting by these writings for the promotion of the Redeemer's Kingdom by the maintenance of love and friendship, and by mutual consultation for peace and welfare of each other, the following articles are adopted as the written bond of union:

Section 1. The confederation of churches shall be known and called by the name of New Found Baptist Association.

Section 2. The object of the Association shall be to promote the glory of God on Earth by preaching of His Son, Jesus Christ, our Saviour, the universal spread of the Holy Bible, the word of the true God, and by other appropriate means.

Section 3. This Association shall consist of messengers from the churches forming the Union, and such other Baptist churches as may hereafter be received as members thereof.

Section 4. Each church shall be entitled to as many as seven representatives as delegates to the Association.

Section 5. The officers of this Association shall be a Moderator, a Vice-Moderator, a Clerk and Treasurer and Assistant Clerk. These shall be ex-officio members to the Executive Committee.

Section 6. Baptist churches not before united in an Association or those dismissed

from other Associations, or those deliberative assemblies of the faith and order of the churches now associated, may be admitted as members into this Union by a majority consent of the Messengers present: provided, they give satisfactory evidence that they are orthodox in faith and correct in practice of the Gospel from other Associations.

Section 7. This Association shall regard the churches independent bodies in all their internal affairs and exercise no ecclesiastical jurisdiction or claim any legislative or judicial power over them.

Section 8. As every church is an independent body, amenable so far as authority is concerned to the Great Head of the church alone, any church shall have full power to terminate its connection with the Association whenever it may see fit, provided that such church shall be granted letter of removal. While, however, it chooses to continue in this connection, the Association must have a relative right to inquire into its standing, whenever it may be necessary to do so, and in case of dissatisfaction withdraw from it.

Section 9. That a church ignoring and not abiding by the Constitution and By-Laws of the New Found Baptist Association that a church walking off and joining another association without asking for a letter, if it comes back it must give sufficient apologies to the Association before being taken back.

Section 10. In case of internal dissension in a church, and of two parties coming up to the Association, each claiming to be the church, neither party shall take a seat until the question is decided which party is the church in union with the body and the decision shall be made on the same principles on which admission of the church is made, viz: The majority concurrence of the messengers. If neither party obtains a majority vote, the church will be considered dropped. No charges shall be received against a church unless presented from two or more churches in the Union, through their messengers.

Section 11. It shall be the duty of the Association to ascertain the general condition of its constituent churches; devise means to promote their harmony and increase their spirituality and efficiency; to promote the cause of truth and righteousness.

Section 12. The Association shall hold annual sessions to convene on Thursday before the third Sunday in August in each year, and not adjourn until all business shall have been regularly finished, unless circumstances imperatively demand. The place of meeting shall be determined at each previous meeting and published in the minutes.

Section 13. When in session the Association shall be governed by the usual rules of decorum and such others as may be adopted for itself.

Section 14. The Association earnestly requests the churches annually to report their general condition, and to furnish information subjects brought to their notice by the body, and likewise to make up such contributions as may be able to aid in disseminating the truth as contained in the Holy Scripture and in promoting the Redeemer's Kingdom on earth.

Section 15. The neglect or failure of a church to be represented by a messenger or messengers to the Association for three consecutive years, or report sent in, shall be cause to withdraw from such church, at the discretion of the Association.

Section 16. Amendments may be made to the Constitution at any meetings of the Association by a vote of two-thirds of the members present: Provided the same shall have been published in the Minutes the preceding year.

Section 17. The constitution shall be printed in the Minutes of the Association each year and in force on and after the annual session of the preceding year.

Section 18. Any and all previous Constitutions of this Association are hereby repealed.

N. C. BAPTIST FOUNDATION REPORT

During the past year, The North Carolina Baptist Foundation, Inc. has made regular and systematic progress. More and more of our Baptist people are inquiring about the services of the Foundation and are following these inquiries with concrete evidence of their concern. Some have made direct monetary contributions through

the Foundation for a particular agency or institution. Others, with the help of their lawyers, have made provisions in their wills that through the Foundation Christian causes have been remembered.

One of our major emphases has been in the area of will making. Our pastors, associational superintendents, and our church representatives have given encouraging help in this educational campaign. The response in each instance, whether in an association or individual church, has been most gratifying.

We solicit your prayers and your continuing cooperation. The Foundation remains ready to assist you in any phase of our endeavors. Please call on us if we can be of assistance to you.

Report given by Gordon Maddrey of the N.C. Baptist Foundation.

PERIODICALS REPORT

We, as Missionary Baptists of the 20th century firmly believe in being well informed. Our goal as Missionary Baptists is to inform and enlighten others of spiritual needs throughout our world.

A wealth of wholesome reading material is available through our North Carolina State Convention and the Sunday School Board of our Southern Baptist Convention, but our Christian literature must be magnified and promoted in all our churches if God's work is to go forward. Christians have a challenge to destroy the thirst for bad by providing Christian reading material everywhere possible.

We as Baptists are most fortunate to have so great a quantity and quality of literature and teaching aids available to the churches and members of our denomination.

The Bible, without question, heads the list and is the basis for all our religious literature. THE BIBLICAL RECORDER, the official journal of our North Carolina Baptist State Convention, covers the entire field of our Baptist work. There are many sources of information in it including news items of interest from our churches.

The American Bible Society is one of most importance because of the wide range of languages reached through Holy Scriptures printed for his own language. It helps our missionaries in presenting Jesus Christ to each person regardless of his language.

CHARITY and CHILDREN, the weekly publication of our Children's Homes, is another outstanding example of religious literature furnished by our denomination in North Carolina.

There are over 100 different publications not to mention our Sunday School and Training Union material, and the hundreds of tracts that are available upon request.

Be informed. Be inspired. Know what Baptists are doing for God!

Respectfully submitted,
H.E. Plemmons

BAPTIST CHILDRENS HOME REPORT

North Carolina Baptists and other friends of the Children's Homes are making possible a Christian way of life for hundreds of boys and girls who otherwise would be denied many of life's best opportunities. More than 1300 children were assisted in some type of service during the past year.

All associated with the Children's Homes are deeply grateful for every type of support. Co-operative Program income through the churches is increasingly important. Last year's Thanksgiving offering is the largest ever-now approaching \$325,000. Special gifts, bequests through wills and estate planning provide much needed income and wonderful opportunities to invest in the lives of children and young people.

Encouraging progress is being made in the capital funds campaign to build a home for children in Western North Carolina to be located in Haywood County between Waynesville and Clyde. It is hoped that construction can begin in early 1969. The Western Home, in addition to providing group care, will strengthen all types of services now being provided children and their families in the Western area.

Four family style cottages have been constructed and dedicated during the past year-two at Mills Home and two at Kennedy Home. Two additional cottages will be constructed at Mills Home during the coming year. Funds for these buildings have come from bequests through estate planning by friends of neglected and dependent children.

The number of good Christian homes for the care of foster children is growing. More are needed in all sections of the state. Foster homes serve children of all ages and are particularly helpful for some who have special needs. Couples with or without children of their own, who have an abundance of love, find this to be a challenging and rewarding opportunity for Christian service.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy the blessings of our Lord. We covenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

Respectfully submitted,
Herbert Garrett

HOME FOR THE AGING REPORT

The past year in your Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. Of primary significance was the opening of the Yanceyville Home on November 1, 1967, and dedicatory services on April 25, 1968, with Governor Dan K. Moore as the principal speaker.

When the Yanceyville Home, accommodating 31 residents, is filled to capacity, the number living in all of our Homes will reach 200. Residents at Yanceyville, Resthaven, the Albemarle Home, the Hayes Home, the Hamilton Home, and the Infirmary constitute a large and ever-growing family of elderly people who receive compassionate and tender care.

The waiting list for admission to one of our five Homes continues to grow, but has been revised and is a bit more realistic than ever before. The opening of the Yanceyville Home has relieved the pressure greatly on this waiting list, and persons are encouraged to make application from the various sections of our great state.

Baptists of North Carolina can be grateful for their record in ministering to the residents in their five Homes for the Aging. Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy aging than any other denominational Home in North Carolina. About 85% of the residents ministered unto receive assistance through the love gifts of North Carolina Baptists. These

love gifts from our Baptist churches come from two main sources: (1) The Special Day Offering, received on the 3rd Sunday of February each year, from which the Homes derive 22 1/2% of their total support; (2) The Cooperative Program from which we receive 12 1/2% of total income. Gifts for 1967 through these two sources were at an all time high and amounted to around \$200,000.00. The 1968 Special Day Offering, at this time, is reflecting an encouraging increase. Unless these two vital sources of income are increased considerably, your Baptist Homes cannot be maintained, either on the basis of quality of care, or quantity.

More than in any previous years the ministry of the Homes has been extended beyond the day to day care of the residents to our local churches and communities. Experiences have been shared in more than one Association, in World Missions Conferences, Family Life Conferences, High School classes in Family Living, etc.

Life among the residents in the Homes is most interesting, and if one wonders about activity among those whose average age is 80, let him come and see. Let everyone who is contributing to this great area of human need be grateful to the Lord to be a part of a great denomination that has had the vision to plan for the aging, and is moving forward in meeting the needs of this very deserving group.

Respectfully submitted,
Rev. Chester Freeman

BAPTIST HOSPITAL REPORT

This is a full year at your Baptist Hospital with more than thirty thousand sick people being given medical service and Christian ministry, and more than 165,000 visits being made to the clinics of the hospital. In addition to this, more than 700 persons are receiving training in the various fields of medical care and Christian service, and a vast amount of medical research is being done in the causes and treatments of the diseases which afflict us and our loved ones.

The Development Program, which is greatly to increase the capacity of the Medical Center to train and to serve, is progressing on schedule. The new power plant is scheduled to go into operation in October. The paramedical school building is due to be ready by next April. It will provide the best in teaching facilities and make it possible to double the capacity of our nine schools and to add new schools. The Medical School addition is to be ready by September, 1969, and will allow that school to enlarge by 35%. Contracts are due to be let in October for the new patient building, which is to be completed in 1971. This building and the remodeling of the oldest part of the present plant will provide more than 200 new patient beds and greatly enlarged space and facilities for offices and for examinations and treatment of patients.

The cost of this large Development Program is being provided by interested individuals, corporations, foundations and government agencies, which recognize the valuable service our Medical Center is rendering and the urgent need for greatly enlarging these services.

But this is a very difficult year financially, and our hospital has been forced to make important changes in its financial policies. In the face of the mounting costs and the increasing needs of our people, the hospital has been struggling with a growing deficit. We have been told this for several years now, but the gap has continued to increase between the cost of free service and the money we have provided for this service. The amount of the free service now will have to be governed by the amount of the Mother's Day Fund. In view of this, financial arrangements must be made before a patient is admitted to the hospital, except in case of emergency. There

will have to be a plan, including any insurance, for paying the estimated hospital bill, before the patient is discharged, unless the patient has been certified by his county welfare department or some other agency. The Mother's Day Fund will be used, as it has been, to pay the difference between the amount paid by the certifying agency and the total cost of caring for the patient.

Active North Carolina Baptist ministers will be given a 25% discount, and beyond this they will be charged the same as other patients. If they come through the clinic as service patients, they will be eligible for Mother's Day assistance if there is real need and other funds are not available.

The great concern at our Baptist Hospital is for our Service Patients who must have financial assistance if they get the specialized care they need. But the hospital has come to the point that it cannot continue to operate without money to cover the cost of caring for the patients it serves. In view of these circumstances, we believe the great majority of our pastors and our people will understand these changes and give their full cooperation. The Mother's Day Offering will need to be increased greatly if our hospital is to fulfill its mission to our people who most need it. We want to assure our hospital that it can depend upon us in full measure.

Respectfully submitted,
Paul Clubb

Discussed that the Training Union Report be left out until there is something to report on. Talked and discussed that committee be appointed to work in the three areas of the Association to try to build our Association up and to get better cooperation from our churches. The Committee appointed in the Spring Creek area were: Loyd Fish, H.E. Plemmons, Rev. Billie Gillespie. Marshall area: Rev. Charles Stockton, L.W. Holderness, Rev. C.C. Fisher. Buncombe area: Rev. PERIODICALS REPORT

In the days of old, the Prophet Hosea said, "My people perish for lack of knowledge." We have a marvelous array of Christian publications in the Southern Baptist Convention for every age, spiritual interest and need. The aim of it is to inform, enlist, unify, and inspire our people for faithful service in our Lord's name.

There are over 100 different publications in addition to our Sunday School Training Union materials and the hundreds of tracts that are available upon request. Every home should be a regular subscriber to the Biblical Recorder, Charity and Children, Home Missions, and Commission. Some other of the more familiar publications are: Home Life, Upward (Intermediates), Adventure (Juniors), Story Time (Beginners & Primaries), Sunday School Builder, Training Union Magazine, Brotherhood Journal, Royal Service, Baptist Student RA & GA materials and The Baptist Program.

The 1969 has been one of the most significant in the 136 history of the Biblical Recorder. Each week the Biblical Recorder is read by almost 300,000 North Carolina Baptists in some 90,000 homes. Whenever something significant was happening among North Carolina Baptists the Biblical Recorder kept us informed. The American Bible Society is the principal agency of the United States. It is one of the oldest Missionary Societies in America, and provides scriptures of every language to both Foreign and Home Missionaries. The Scriptures are available in large type for those with failing eyesight, and also in Braille and on records for the Blind. The Bible is the book for everyone and seeks to fulfill our Lord's command to take the Gospel to the upmost part of the world.

Respectfully submitted,
H.E. Plemmons

Report read and adopted. Luther Osment spoke on Periodicals, in Mr. Marse Grants' place, who was unable to attend.

BAPTIST CHILDREN'S HOME REPORT

Among church supported agencies, North Carolina Baptists are fortunate to have one of the finest programs in the nation for the care and development of dependent children and for strengthening and supporting family life. This is an application of the teaching and example of Christ in His earthly ministry. More than 1200 children and their families are served annually.

The Children's Homes, through a variety of quality services, is recognized as a family service agency. This is made possible by well trained and professional staff who provide leadership for group care programs, foster home care, family services, consultation with churches in preschool programs and planning for higher education of children who have been in care. This program unfolds on six campuses and through the work of regional casework centers throughout the State.

More requests for services are now coming to the Baptist Children's Homes than at any time in our previous history. All agency beds are filled and all available money is being utilized. We, too, have been caught in the rising costs of living and in an inflationary economy. A wider variety of quality services are being demanded to meet the needs of children who are the products of today's complex society. Present economic conditions make it necessary to have additional operating income with which to maintain the current program before any further expansion of services can be considered.

Friends of the Children's Homes, in Western North Carolina, have responded generously to the Founders and Builders Program to raise funds with which to establish the Broyhill Home to serve children in Western North Carolina. Sufficient funds have been given and pledged to purchase the land, to prepare the site and to construct the first two cottages for children. When the campus has been completed provision will have been made for four cottages for children, a multi-purpose administration and activities building and a home for the superintendent. With the support and cooperation of Baptists and other friends of the Homes another ministry is being developed in Asheville. A home in which to serve unwed mothers and their offspring will be opened during the fall of 1969.

By the use of designated gifts and bequests from individuals and families, significant progress is being made in the long range plans for upgrading of facilities. Two cottages are now under construction at Mills Home. A recreation building and an infirmary at Kennedy Home and two cottages for children at the Broyhill Home are scheduled for construction during the next year.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

Respectfully submitted,
Herbert Garrett

Report read and adopted. Discussed by Hugh Stames, N.C. Childrens Home.

HOME FOR THE AGING REPORT

Never before have your Baptist Homes for the Aging been more conscious of the Lord's Presence and of His Goodness than during the past year. At a time when the economy of the Homes was at its lowest ebb, with a sizeable deficit looming larger by the moment, when the weather was at its severest on the 3rd Sunday of February, the day of the Special Offering, the churches came through with an offering that promises, at this point, to be the greatest in the Homes' history. The Lord, who is in charge of the weather and in charge of the Baptist Homes for the Aging, has surely rewarded our faith and moved upon our Baptist people to see the urgency of our needs, and we are grateful.

Ours shall continue to be a relationship of trust in the Lord and faith in our Baptist people. We earnestly hope that a continued and sustained effort will be made by our churches to increase and strengthen the amount of the two main means of support for our ministry to the Aging--the Special Offering, and the Cooperative Program. Through these two sources, one-third of the total income for the Homes is derived, and 85% of the residents, who are financially dependent, are cared for and supplemented. If we are to continue to assist these many needy persons, and if we are to reduce the deficit in the operation of the Homes, brought about by the rising cost of living, we must have more liberal support from our churches.

We do not believe that our Baptist people would want to curtail any of the vital ministries of the Homes and that they will respond to this urgent appeal.

Since last year, the Yanceyville Home, our newest Home, has been filled to

capacity, and we now have almost 200 deserving older men and women living in our midst there and in our other four Homes -- Resthaven, and Hayes Home, in Winston-Salem, the Albemarle Home, in Albemarle, and the Hamilton Home, in Hamilton. These wonderful people are finding much happiness in Christian companionship with persons of their age group, and great security in knowing that they will be loved and cared for in sickness as well as in health.

It is a deeply rewarding experience to see the light and joy of Christ on an older person's face and to hear words of deep appreciation almost daily for the Christian love and nurture that North Carolina Baptists are making possible through this ministry. We believe, therefore, that our Baptist people will want to have an ever-increasing part in so worthy a labor of love in the Master's Name. We know that the Lord will not fail us, and we also believe that our people will want to be as faithful as possible.

Respectfully submitted,
Rev. Harold Cable

EDUCATION REPORT

Over the years our Baptist Colleges have trained many young men and women who expect to give their lives to one of the many Christian vocations, such as Pastors, Chaplains, Directors of Church Music, Home and Foreign Missionaries, Teachers, Institutional workers, Denominational Workers, and many others. The greatest of all educations is Christian education.

Your concern and the concern of all Baptists everywhere will determine what our Baptist Colleges will be, so how great is our concern for our colleges and for Christian education.

Report read and adopted.

MISSIONS: STATE, HOME, FOREIGN REPORT

Through the support of our churches and their offerings to State, Home and Foreign Missions they can help to send missionaries out to preach and teach the word of God and to work with the people who know not God, that they may bring them to know Christ as their Saviour. Missionaries are needed today at home and abroad.

Let us support missions, and help by being Missionaries, at home.

BAPTIST CHILDREN'S HOME REPORT

The Childrens Home this year is caring for 800 children in 5 different homes across the state. We are able to do this because of the help sent us through the Thanksgiving Offering, Co-Operative program and individual gifts.

The work on the new childrens home in Haywood county is going well and it is hoped that two cottages will be completed by March, 1971. We are building as

help comes from the churches and we have received enough to build the first phase.

A home for unwed mothers is also to open this year in Asheville, we plan to care for 12 girls, beginning in September of this year. This is a great need and we feel so much the need for your prayers and support in this new work.

Respectfully submitted,
Herbert Garrett

Report read and adopted. Discussed by Hugh Starnes, Supt. of Broyhills Home, the new childrens home under construction at Clyde, N. C.

HOME FOR THE AGING REPORT

God has blessed our Homes for the Aging through all of our nineteen years, and during the past year in a very special way. We acknowledge His goodness and thank Him for every manifestation of His love. We also want to express sincere gratitude to our Baptist people for their increased love and concern for the 195 dear elderly people to whom we are ministering in our five Baptist Homes - Resthaven, the Hayes Home, and Nursing Care Unit, in Winston-Salem; the Albemarle Home, in Albemarle; the Hamilton Home, in Hamilton; and the Yanceyville Home, in Yanceyville.

An urgent appeal was made to our Baptist people before our offering in February to help us reduce the alarming deficit in the operation of the Homes. This plea was heard, and the offering, of \$168,349.34, from July 1, 1969 through June 30, 1970 from our Baptist Churches, has exceeded all other offerings in previous years. How grateful we are for this increase. We want to urge our people, however, to continue giving liberally to our Homes and to remember that we are still confronted with the staggering cost of living and the great need to strengthen the total economy of the Homes as we try to move forward in developing and expanding this vital ministry to the aging. For example, even though our offering reflects an increase over the previous year, this increase will only take care of approximately half of the additional amount necessary in operating the Homes for the coming year, due to inflationary pressures.

Of great interest in our Development Program is a proposed new addition to our present Nursing Care Unit. Judge and Mrs. William M. York, of Greensboro, North Carolina, have offered a gift of \$80,000.00 to the Homes for this purpose, contingent upon the Homes raising an additional \$80,000.00 by September 1, 1970. If this proposal is fulfilled, 10 to 12 additional rooms would be made available, with accommodations for 20 to 24 people, and bringing our total nursing care capacity to 80 beds. We appeal to Baptist people to pray for the success of this very special project in the care of our elderly sick.

There is no greater security for an older person than that of the Christian nurture and love offered in our Baptist Homes, and we thank the Lord, and our Baptist people, for this ministry. We shall continue to look to Him, and to our people, on behalf of these to whom Christian love means so much, in the faith that our needs will be supplied.

Respectfully submitted,
Rev. Harold Cable

Report read by representative, and adopted. Discussed by William C. Adam,

Pisgah Forest, who was asked by William A. Poole, Supt. of Homes for the Aged, to represent the Home.

BAPTIST HOSPITAL REPORT

Our Baptist Hospital continues to grow, in spite of its serious problems. Physical growth is the result of the long-range development program which has already seen the completion of the new power plant, the School of Nursing and Allied Health Building, and the additions to the Medical School. Construction of the new patient tower is progressing, after some delays, and is expected to be completed by mid-1972.

There is continued growth in the quality of patient care provided. There is improved equipment in the heart diagnostic center in the fight against heart disease; the department of nuclear medicine continues to make progress in the diagnosis and treatment of some of our most dreaded diseases; the stroke center renders valuable service in the study and treatment of strokes and brain tumors. New equipment for the Intensive Care unit includes an instrument which is attached to the patient and measures his heart action and blood pressure; if either varies from a safe range the machine signals the attendant immediately.

Changes in admission procedures have been made necessary by the financial crisis the hospital faces. When a doctor reserves a bed for a patient the admissions office contacts the patient to obtain the needed information, including the type and amount of his hospital insurance coverage. After estimating the hospital bill and determining the amount of insurance coverage, the patient is notified of the difference which he is expected to bring when he enters the hospital. An effort is made to counsel with all patients who need financial aid and assist them in getting help.

With all the growth, one thing remains unchanged: the desire and determination to care for the needy sick. This has been at the heart of the hospital's ministry since it opened in 1923. Last year it ministered to 5,225 Service Patients for 47,499 days of hospital care, in addition to the large number served in the Outpatient Clinics. The free care amounted to more than a million dollars beyond what these patients, their insurance, and all sponsoring agencies paid. North Carolina Baptists provided \$565,000 of this amount - \$237,000 through the Cooperative Program and \$328,000 through the Mother's Day offering. To date this year 10 churches in our association contributed \$328.60 of the Mother's Day Fund, thus helping the hospital keep faith with its purpose.

Though our Mother's Day offerings have grown they have not kept pace with the rising costs and our hospital is running a heavy deficit. If full use is to be made of the new medical procedures and facilities in fulfilling our mission, we are going to have to give our Baptist Hospital additional support.

Respectfully submitted,
Rev. E. Venson Plemmons

N. C. BAPTIST FOUNDATION REPORT

The fact that The North Carolina Baptist Foundation, Inc. has tripled its assets during the past eight years is proof that this service arm of the Convention has found favor with North Carolina Baptists.

Since the Foundation was reactivated in 1966, assets have increased from \$350,000 to more than one million dollars. This includes trust funds and real estate.

THE FOUNDATION advances the Kingdom of God in two major ways: by serving individuals and by serving Baptist agencies and institutions. This includes the Co-operative Program, Missions, Higher Education, the Baptist Hospital, and Baptist Homes for the Aging.

SPECIAL EMPHASIS ON TRUSTS AND WILLS

THE FOUNDATION has again this year put a major interest on the making of wills.

Many churches have used the facilities of the Foundation to conduct Will Clinics, and reports from these clinics indicate that they have been very successful.

THE FOUNDATION also has an opportunity to counsel with many people concerning their own wills, and in some instances has provided the information and direction necessary for inclusion of Baptist causes in their will.

THE BAPTIST FOUNDATION has had a most successful year, is on the move, and is rendering service to individual Baptists in a concrete way.

Lee Roy Denton gave the N. C. Baptist Foundation Report.

EDUCATION REPORT

To promote study of the Bible in Home and in local Churches and Associations.

There are five senior colleges and two junior colleges. Christian Education is a vital part of the ministry both in the churches, schools and homes. Although prayer has been discarded in public schools we feel and suggest it need and should be reinstated.

Was read and adopted. Discussed by J. Thurman Lewis, Gardner-Webb College.

MISSIONS: STATE, HOME AND FOREIGN REPORT

We the committee on missions do ask that each church in the Association support State, Home and Foreign Missions. We know that there is a great need for the word of God to be spread everywhere and to carry out the commission of our Lord who said, "Go ye therefore into all the world and preach my Gospel."

Let us support missions and help by being missionaries at home.
